

QUILT ODYSSEY 2019 GROUP TOUR FORM

This form enables us to process your directions more simply. Please print legibly when filling it out. We should receive this three weeks before the event in order to ensure mailing your admittance bands in time. You must register in advance to receive the discounts.

When we receive this form along with your check, we will then mail your admittance bands (and pins if applicable) back to you at the address below to your contact person's attention. This way, there are no lines to combat when your group arrives. Please note: The coach driver or tour guide are admitted free: we will give them a special band when they arrive if they want to see the show. Please, **only one free band** per bus group.

Please have your contact person let us know when you have arrived at Quilt Odyssey so we can welcome you and present your group with their programs. Our "no fail" policy guarantees that, should someone fail to show up in your tour group, all you need to do is to present their unused admittance bands (and pins if applicable) to our staff upon arrival for a refund providing you have at least 20 paying members in your group. Refund checks will be issued after the show closes.
