

Moonlight Garden Supply List

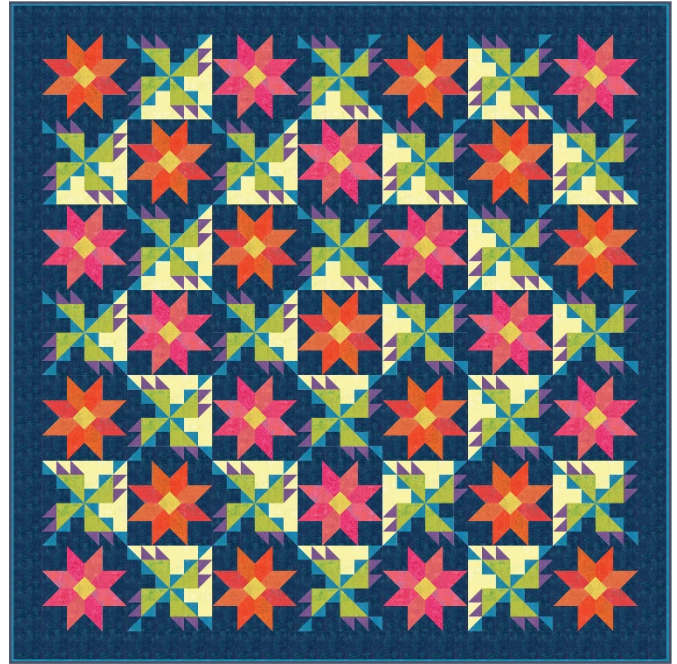

Michelle Renee Hiatt - Instructor

Welcome to the Moonlight Garden workshop. Moonlight Garden is an eye-catching display of Lemoyne Star and Straw Flowers set on a split two-toned background. The Lemoyne Star Flowers, made with Jelly Roll strips (2 ½" Strips) or yardage, come together easily using the Rapid Fire strip-piece method. The split two-toned background amongst the Straw Flowers creates a magnificent moonlight cascade through-out the quilt.

Moonlight Garden looks great on any color background fabric, the split-two toned background works best with high contrast between the two shades.

Moonlight Garden requires Studio 180 Design's Rapid Fire Lemoyne Star™, Tucker Trimmer III™, and Corner Pop™

***Required Pattern, Tools and Notions are available for purchase at the workshop with a Student Discount of 10%**

Quilt Center Pre-Cutting:

While I prefer to cut my entire quilt at once, you may be running behind and only want to cut what you need. In class, we will make a couple Lemoyne Stars and 8-12 of all the other units, so cut at least a quarter of each unit for all Blocks and bring your extra fabric.
